2023 Workbooks

Teaching staff have collaborated and have again streamlined the core curriculum books to be used in 2023 to meet the school Priorities.

Current teaching staff have advised of your child's learning levels and the required workbooks for these levels have been indicated on your child's Personal Items List as contained in this booklet.

Please ensure that the requested books have been ordered/ purchased and are available

on the first day of school 1 February 2023. It is imperative to commence the new school year with all the required Workbooks for your child.

2023 Voluntary Contributions, Charges and Fees

Voluntary Contributions, Charges and Fees have been adopted as per the Department of Education Policy.

2023 Schedules have now been approved by the Finance Committee and endorsed by the School Board.

Kindy - \$40.00 (\$10.00 per term)
Pre-Primary to Year 6 Contributions - \$60.00 - (\$15.00 per term)
Secondary Contributions (Years 7 to 10) - \$235.00 - (\$58.75 per term)

The Finance Committee and School Board have endorsed the schedules for these charges as required by the Financial Directorate. The payment of Voluntary Contributions impacts significantly on what we as a school can offer and provide for your child in addition to their core educational curriculum.

The school is required to fund core programs and curriculum related learning from the School Grant received each year. Payment and collection of voluntary contributions covers student incurred costs across each learning area and at each year level as per the 2023 schedule.

Parents are asked to consider these expenses when choosing to pay or not to pay this minimal amount for your child's educational journey.

Payment plans are welcome and encouraged. (Please contact MCS to discuss)

Secondary Assistance Scheme (S.A.S.) & ABSTUDY

All Secondary students (years 7 to 10) have been issued with information and enrolment forms for the SAS Scheme. \$235.00 is paid to the school for fees and parents receive a \$115.00 allowance for uniforms.

Parents who receive Centrelink payments will need to apply for the ABSTUDY Grant through their local Centrelink office – please note that ABStudy is subject to attendance.

Brookton Newsagency has been provided with a student listing of workbook requirements. Naomi & Brad have been working with Champion to supply all the workbooks for the student learning levels. ***Please consider buying locally at Brookton Newsagency - they will go out of their way to assist.***
