Brookton District High School

Principals Address

As we continue to SOAR together—being Safe, Organised, Achievers, and Respectful—I am so proud to celebrate the incredible achievements, resilience, and community spirit that make our school a place where every student belongs and grows.

Firstly, I want to congratulate all our students who participated in the Interschool Carnival. Your sportsmanship, enthusiasm, and pride in representing our school were truly inspiring. Every jump, sprint, and cheer reflected our commitment to being Achievers and supporting one another's efforts.

Our Music Taster Program is wrapping up next week, and what a journey it has been! It's been wonderful to watch students embrace new skills and confidence, stepping out of their comfort zones and celebrating their achievements together.

A huge thank you to the Road Safety Commission for delivering the Kick Start Incursion this week. The virtual reality driving simulation captivated our high school students, giving them a powerful, real-world lesson in being Safe on the roads and making positive choices. We're also looking forward to welcoming Spare Parts Puppet Theatre soon. Their performance is sure to delight and inspire, sparking imagination and creativity across all ages.

I'm also excited to share that our Year 6 Orientation Morning to High School is scheduled for Monday, 4th August. Watch this space for more details coming soon!

Principals Address continued

To Mrs Leonie McGuire, our canteen superstar: thank you for your dedication, kindness, and the countless ways you've nurtured our school community. We wish you all the very best in your future endeavours.

It's been such a delight to see the many games our students enjoy during breaks—footy on the oval, "drain digging season" in the nature playground, marbles on the front lawn, gymnastics club on the western lawn, and even a lively revival of Four Square (though I must admit, the teachers are still figuring out the modern rules!). These playful moments remind us how important it is to be Organised and Respectful while having fun and building friendships.

Finally, a huge thank you to Mrs Eyre for her dedication to the Premier's Reading Challenge. Her encouragement has sparked some epic reading efforts—our students are Achievers in their reading and are growing their literacy and love for books every day.

Together, we are creating a learning environment that is not just about academic achievement but also about respect, connection, and joy. Let's continue to SOAR, and thank you for all that you do to make our school community so strong.

Warm regards, Kris Dewson Hall Principal

Thankyou
MrsMcGuire
