Brookton District High School

Principals Address 1st Dec 2025

Term 4, Week 7 at Brookton District High School has been equal parts exhausting and exhilarating as we work hard to keep routines steady, relationships strong and expectations high for every student.

Swimming Lessons – Safety & Routine

Our PP-Year 6 students have quickly settled into the predictable routine of walking down to the pool each day for swimming lessons. While the week started with chilly weather, it warmed up nicely and students showed great persistence. We are very pleased they will complete the full 10-lesson program this year, building confidence and a sense of achievement.

Teach Learn Grow – Individual Support

We were incredibly fortunate to host 16 Teach Learn Grow volunteers, who camped in our music room for the week to provide one-on-one and small-group tutoring for our students. It really is a teacher's dream to see learners in groups of two or three, receiving such focused attention. Our students absolutely thrive when adults invest time, care and support in their learning.

Wheatbelt Ball – Friday 5 December

Each year the District High Schools in the Wheatbelt take turns hosting the Wheatbelt Ball. This year Dowerin DHS is our host. We look forward to sharing some beautiful photos of our students attending and celebrating together.

Air Conditioning in Room 2 – Calm Learning Spaces

Our Year 2/3 class will be thanking the P&C this week as they switch on their new split-system air conditioner in Room 2, just in time for the hot weather. Comfortable, calm classrooms make it easier for students to stay settled and ready to learn. Thank you, P&C, for your ongoing generosity.

Save the Dates – Celebrating Growth

Please hold the dates for these important end-of-year events:

- Primary Presentation Night & Concert – Tuesday 16 December
- High School Awards Luncheon – Wednesday 17 December

These occasions allow us to celebrate effort, growth and character alongside academic success.

Important Dates

Every Wednesday

Brookton District High School

Tidy Town Award Luncheon at Optus Stadium – Community & Pride

Our Year 9/10 students were recognised for their work in the Brookton Community Garden with an invitation to the Tidy Town Award Luncheon at Optus Stadium. While the partnership did not win an award this year, students thoroughly enjoyed the experience and felt proud to represent our town and school. Experiences like this build connection, contribution and pride.

Thank you again to our wonderful staff, volunteers and caring families for your continued support of our children's learning. Your steady presence, kindness and commitment make a real difference every day.
Warm regards, Kris Dewson Hall Principal
